The attainment level of the goals of the National Institute of Technology, Matsue College is satisfactory in the area of Institutional Thematic Assessment, Theme B: Community Outreach.

The review committee has identified the following best practices in the area of Institutional Thematic Assessment B:

- 1) The College continues to actively engage in community contribution activities, such as school openings, on-site lectures, and human resource development lectures in the past five years (2015-2019). It launched new recurrent education programs in 2018 for students and adults to study together. According to the questionnaire, each of these activities has been highly satisfactory to the participants, and the results of the community contribution activities are fully recognized.
