

Decision of Institutional Thematic Assessment

The attainment level of the goals of the National Institute of Technology, Tokyo College is satisfactory in the area of Institutional Thematic Assessment, Theme A: Research Activities.

The review committee has identified the following best practices in the area of Institutional Thematic Assessment A:

- 1) The College strives to advance its research by setting up the Office of Project Planning and Research Promotion to encourage the acquisition of Grants-in-Aid for Scientific Research, and the Center for Comprehensive Education Support (Collaboration Center) to promote industry-academia-government collaboration. These efforts have led to the faculty and staff members earning notable achievements that include eight awards in various contests and competitions from 2018 to 2019.

The attainment level of the goals of the National Institute of Technology, Tokyo College is satisfactory in the area of Institutional Thematic Assessment, Theme B: Community Outreach.
