

#### Decision of Institutional Thematic Assessment

The attainment level of the goals of the National Institute of Technology, Fukushima College is excellent in the area of Institutional Thematic Assessment, Theme A: Research Activities.

The review committee has identified the following best practices in the area of Institutional Thematic Assessment A:

- 1) Under the Vice-President of Planning and Reconstruction Support and the Vice-President of Research and Community Liaison, the Regional Reconstruction Support Office has been set up to collect publicly solicited research information and obtain research funds. These initiatives achieved good outcomes, such as the acquisition of top-class external funds among the colleges of technologies nationwide.

The attainment level of the goals of the National Institute of Technology, Fukushima College is satisfactory in the area of Institutional Thematic Assessment, Theme B: Community Outreach.

The National Institution for Academic Degrees and Quality Enhancement of Higher Education (NIAD-QE) has translated this document with consent from the College for the readers' information only.
