

Decision of Institutional Thematic Assessment

The attainment level of the goals of the National Institute of Technology, Hakodate College is satisfactory in the area of Institutional Thematic Assessment, Theme A: Research Activities.

The attainment level of the goals of the National Institute of Technology, Hakodate College is good in the area of Institutional Thematic Assessment, Theme B: Community Outreach.

The review committee has identified the following best practices in the area of Institutional Thematic Assessment B:

- 1) The College's laboratory is set up in the Hakodate Research Center for Fisheries and Oceans, and the College promotes the Hakodate Fisheries and Marine Engineering project in which faculty members, including the those from the general humanities, participate as on-campus research. The Hakodate Fisheries and Marine Engineering Symposium is held to publicize the results with researchers and engineers across the country.
