

高専とは? What is KOSEN ? (KOSEN is KOSEN!)

September 23rd, 2020

独立行政法人 国立高等専門学校機構
National Institute of Technology (KOSEN)
理事長(President) 谷口 功(TANIGUCHI, Isao)

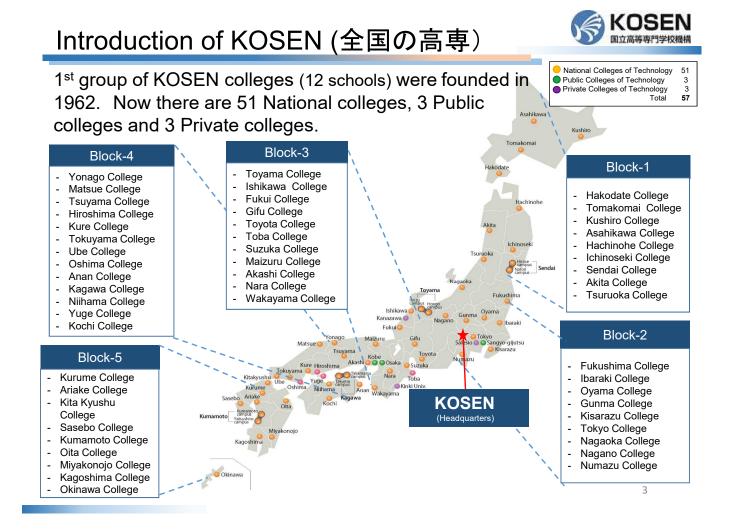

KOSEN

= (日本独自の) 高等教育機関Japanese UniqueInstitutes of Higher Education

≠ 専門学校

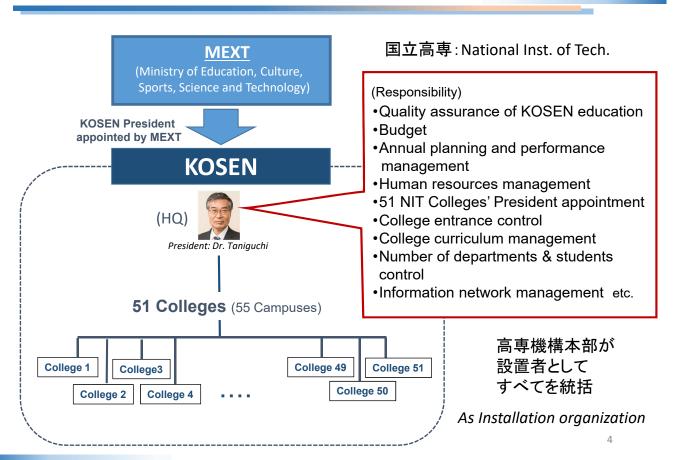

Not vocational or technical colleges

Please pay attention not to make a mistake !!

Management of KOSEN founded by National Government

高専の教育: KOSEN Education

日本独自の成功した教育システムであり、 科学・技術に立脚した日本の高度経済成長を支え、 未来を創りだすエンジニア育成の高等教育機関 A unique and successful educational system in Japan for higher education on engineering, which sustain Japanese high

education on engineering, which sustain Japanese high economic growth so far and create future development on the basis of science and technology.

高専は高専として理解いただきたい 国際的にも理解が広がっている

It is difficult to translate KOSEN to foreign language, because KOSEN style educational institute is only in Japan.

"KOSEN is KOSEN" >>

Now, the KOSEN educational system has become well-known internationally (especially, ASEAN countries).

5
