

# Introduction

Syun Tutiya

National Institution for Academic Degrees and University Evaluation

October 1, 2013  
ASEAN+3 HE QA Forum

## Takeaways to expect from the meeting today

- ▶ Shared understanding of the current situation around student mobility in the global and East Asian context, in particular, given globalized economy and knowledge society
  - ▶ “Vectors” of student mobility
  - ▶ Student mobility and labor market worldwide and in EA
- ▶ Identified issues and challenges and different efforts toward better methodology for tackling them
  - ▶ Role of quality assurance
  - ▶ Distinction between universal and regional problems
- ▶ Good practices provided by SEA and JCK countries from which we can learn lessons and ideas as regards QA
  - ▶ AIMS
  - ▶ National and institutional dimensions
  - ▶ Student experiences
