

Targets of the panel

Syun Tutiya

The National Institution for Academic Degrees and University Evaluation

October 1, 2013
ASEAN+3 HE QA Forum

Suggested Discussion points, after six presentations

- ▶ Types of social and regional demands for the development of human resources
- ▶ Policies for and implementations of such programs as would develop appropriate types of human resources
- ▶ **Internatioal** role of QA, as conceived as an interface between HE institutions and society, in facilitating the HE's functionality as human resources that society needs
