

Group Session 3

Students Review?!

NIAD-UE University Evaluation Forum
2013

Student's Role in Higher Education
Quality Assurance

Agenda

1. Introduction to the session
2. Summary of student involvement in European QA
3. Discussion
4. Summary and report proposal

Introduction to the session

- What does the title of the session, *Students Review?! imply?*
 - Discussion among participants forms the main part of this group session.
 - Summary of our dialogue will be reported at the general session.

Summary of student involvement in European QA

- Revisiting the European HE environment that enables student engagement in quality assurance and enhancement.

Discussion

1. What is the QA situation practiced by students in Japan?
2. What are the key differences between Japanese and European practices?
3. Do we want to have more student participation? If so:
 - a. What part of the institutional side is delaying student participation?
 - b. What part of students' side is delaying their participation?
 - c. What are the main challenges for significant participation by students?

1. QA situation practiced by students in Japan

- Course evaluation by students
- Participation of students in faculty development programs

...and more?

2. Key differences between Japanese and European practices

- Internal institutionalization
- External institutionalization
- Students' enthusiasm

...and more?

3. If we want to have more student participation

- a. What part of the institutional side is delaying student participation?
- b. What part of students' side is delaying their participation?
- c. What are the main challenges for significant participation by students?

Summary and report proposal

- Summary of our dialogues to be presented in the general session.
