External Quality Assessment System in Thailand

Professor Dr.Channarong Pornrungroj

Director

Office for National Education Standards and Quality Assessment

(Public Organization)

March 3, 2016

NIAD-UE Takebashi Office, Tokyo, Japan

ONESQA

ONESQA : Office for National Education Standards and Quality Assessment

- **Public organization**
- **EQA at all levels: basic education, vocational colleges, universities**
- **Once every 5 years**

ONESQA : Office for National Education Standards and Quality Assessment

From ONESQA

to ONESQA

means One's QA

ONESQA

- One's Attitude to .....Quality Assurance
- One's individuality creates a .....Quality Culture
- One's institutional IQA moves toward..... .....Continuous Improvement

YOUR Quality
Image

Principles

- Positive/creative evaluation
- Difference identification

Better
- Assess for Improvement
- Progressive self-improvement
- Continuous Development
Together
- Combining IQA and EQA
- Strengthening collaboration
- Increasing partnership between ONESQA and educational institutions
Simplify
- Reducing the quantity of indicators
- Maintaining differentiation
- Increasing clarity
- Minimizing duplication
Better Together Simplify

3D-KPIs

D-1	D-2	D-3
Basic Indicators	**True Identity Indicators**	**Social Responsibility Indicators**
