

Decision of Institutional Thematic Assessment

The attainment level of goals of AKASHI National College of Technology is good in the area of Institutional Thematic Assessment A (research activities) set by NIAD-UE.

The attainment level of goals of AKASHI National College of Technology is excellent in the area of Institutional Thematic Assessment B (educational services offered to students other than full-time students) set by NIAD-UE.

Good practices identified in Institutional Thematic Assessment B include:

- The “Program to Help Young Engineers in Hyogo Prefecture with No Academic Background in Engineering to Acquire Techniques in Design and Control for Manufacturing” (FY2008), the “Program to Help Young Engineers in Hyogo Prefecture with No Academic Background in Engineering to Acquire Skills and Techniques in Production Management and Design and Control” (FY2007), and the “Program to Help Young Engineers in the Kobe Area with No Academic Background in Engineering to Acquire Skills and Techniques in Production Management and Design and Control” (FY2006), selected in METI’s Program to Support the Development of Human Resources in Small and Medium-sized Enterprises by Utilizing Colleges of Technology, in which almost all the lectures attracted the maximum number of participants, with 78 to 100 percent of the participants giving a score of 4 or more on a scale of 1 to 5 in the questionnaire surveys on overall satisfaction for all courses.
