

Decision of Institutional Thematic Assessment

The attainment level of goals of National Institute of Technology, Kagoshima College is good in the area of Institutional Thematic Assessment A (research activities) set by NIAD-UE.

The attainment level of goals of National Institute of Technology, Kagoshima College is excellent in the area of Institutional Thematic Assessment B (educational services offered to students other than full-time students) set by NIAD-UE.

Good practices identified in Institutional Thematic Assessment B include:

- The college's efforts to augment adult education programs through the "Seminar on New Technologies" targeting adults in Kagoshima Prefecture who wish to enhance their skills, which was offered in FY2012 utilizing the results of many varieties of human resource development programs carried out from FY2006 to FY2011 to develop young engineers in the area, and
- The college's successful activities, including providing technical instructions in various kinds of sports for residents in Kirishima City and its neighboring municipalities, based on an agreement concluded with Hayato Kinko Sports Club, an organization that assists the sports activities of local residents.
