

Decision of Institutional Thematic Assessment

The attainment level of goals of National Institute of Technology, Tokuyama College is good in the area of Institutional Thematic Assessment A (research activities) set by NIAD-UE.

The attainment level of goals of National Institute of Technology, Tokuyama College is excellent in the area of Institutional Thematic Assessment B (educational services offered to students other than full-time students) set by NIAD-UE.

Good practices identified in Institutional Thematic Assessment B include:

- The college's satellite "Kosen-Yumehiroba (educational open services for citizens)" established in the downtown area of Shunan City, connecting with local people and effectively carrying out many varieties of useful programs through regularly offering "PC Consultation for Beginners" (every Wednesday), "English Room" (every Friday), "Philosophy Café" (two Wednesdays a month), "Training for Reading English Texts Extensively" (two Mondays a month) and "Science Agora," and holding the "Panel Exhibition on International Students' Hometowns," the "Presentation of Achievements in Practical Lessons for Creativity in the Department of Computer Science and Electronic Engineering," the "Craft Workshop in Christmas," the "Presentation of Graduation Research and Exhibition of Graduation Architectural Design at a Small Off-campus Location," and other events.
