

Decision of Institutional Thematic Assessment

The attainment level of the goals of Maizuru National College of Technology is good in the area of Institutional Thematic Assessment A (research activities) set by NIAD-UE.

The attainment level of the goals of Maizuru National College of Technology is good in the area of Institutional Thematic Assessment B (educational services offered to students other than full-time students) set by NIAD-UE.

Good practices identified in Institutional Thematic Assessment B include:

- Partnership with the Tango Machinery Industry Cooperative, revitalization of the local shopping mall through student participation, open classes, lecture-on-demand services, research of social infrastructures, and other ongoing initiatives conducted with the local community, leading to the college being selected for MEXT's Program for Promoting Universities as the Center of Communities (COC) in FY2013.
