

Decision of Institutional Thematic Assessment

The attainment level of the goals of Ube National College of Technology is good in the area of Institutional Thematic Assessment A (research activities) set by NIAD-UE.

The attainment level of the goals of Ube National College of Technology is excellent in the area of Institutional Thematic Assessment B (educational services offered to students other than full-time students) set by NIAD-UE.

Good practices identified in Institutional Thematic Assessment B include:

- The Craftsmanship Studio, a human resources development program to enhance the skills of young people in local small and medium enterprises (SME), based on the program to develop SME human resources with colleges of technology, sponsored by the Ministry of Economy, Trade and Industry, and the program to develop and secure human resources in monozukuri manufacturing, sponsored by the National Federation of Small Business Associations, the former having been held for six years, developing into Craftsmanship Studio; skill improvement workshops and Terakoya; skill improvement study sessions for corporate engineers with the cooperation of local companies, allowing the college to continue providing effective programs of human resources development.
