

### **Decision of Institutional Thematic Assessment**

The attainment level of goals of the National Institute of Technology, Oyama College, is good in the area of Institutional Thematic Assessment A (research activities) set by the National Institution for Academic Degrees and University Evaluation.

The attainment level of goals of the National Institute of Technology, Oyama College, is excellent in the area of Institutional Thematic Assessment B (educational services offered to students other than full-time students) set by the National Institution for Academic Degrees and University Evaluation.

Good practices identified in Institutional Thematic Assessment B include:

- The satellite campus in Tochigi City (inaugurated in FY2010 and opened in FY2011) contributing to the local community. Not only does the campus provide educational services and information opportunities for the region, including technical counselling, lectures, events, and permanent exhibitions, but it also engages in local research programs, including the Development of Comprehensive Disaster Mitigation Project of “Preservation Districts for Groups of Traditional Buildings” of Tochigi City.
